Re: Free Residential Lots

Welcome to our community! Thank you for your interest in the "Free Lot Plan" offered by our city. Lincoln Center is invigorated with new businesses and residents, rekindled community spirit, and unbridled optimism about its future.

The brand new subdivision is complete. Lot size varies from nearly 12,000 to 36,000 square feet. All lots are within close walking distance of the community's medical, education and recreation facilities, grocery store, restaurants and other retail shops, as well as the theater, art center, library and museums.

Keep in mind that, while making plans for your new home, you may acquire your lot immediately. Lots are served by new streets and all new utilities through a special assessment payment plan shared by the City. Additionally, all lots qualify for the City's 10 year property tax rebate program.

I encourage you to pay us a visit and learn more about our diverse, walkable, and picturesque community with small-town character. We believe we must build places that people want to live in for what they are, rather than for what they are not. Our new subdivision, while enhancing access to amenities and quality of life, offers you an opportunity to become a full time resident. Highways that connect the city to the rest of Kansas sit a few blocks away.

Lots are available on a first-come, first-serve basis upon full completion of plan documents, satisfying plan criteria, and given the City's approval. For your convenience and information, we have enclosed the following items with this letter:

- Illustration of the subdivision plat
- "Application to Purchase Sheppard Subdivision Property" form
- "Agreement" form and "Exhibit A, Covenants, conditions and Restrictions"

All applicants interested in acquiring a lot should complete the "Application to Purchase" form and return it to the City of Lincoln Center, P.O. Box 126, Lincoln, Kansas 67455.

Please do not hesitate to contact our staff with any questions you may have about building your new home in Lincoln.

Sincerely,

Mayor

CERTIFICATE OF RESTRICTIONS

Relating to the Sheppard Subdivision

A subdivision of the Sheppard Addition to the City of Lincoln Center, Kansas

The City of Lincoln Center, owners of all of the lots in the Sheppard Subdivision, a subdivision of the City of Lincoln Center, Kansas, as filed and recorded in the office of the Register of Deeds of Lincoln County, Kansas, do hereby establish and certify the following restrictions relative to the lots of said subdivision.

SECTION 1. PURPOSE OF COVENANTS

- A. It is the intention of the city that lands within the subdivision be developed and maintained as a highly desirable residential area for families to dwell. The purpose of these covenants is to protect the natural beauty, the natural growth and setting of the surroundings of the subdivision, and that the same shall always be protected insofar as it is possible in connection with the uses and structures permitted by this document. The lots and parcels of land aforesaid will not be given away, sold, leased, conveyed, or in anyway alienated unto any person or entity except subject to the terms and conditions of the restrictions within this document.

SECTION 2. CONSENT

- A. No building shall be erected, placed or altered upon any lot until the construction plans and specifications and a plan showing the location of the structures have been approved by the appropriate city officials or the city's designated agent, as to the quality of workmanship and materials, building codes, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed, or altered on any lot near to any street and the minimum building setback line unless similarly approved.

SECTION 3. ENFORCEMENT AND APPEAL

- A. The lots in said subdivision shall be subject to all restriction contained in this document and all zoning and building codes of the City of Lincoln Center. The restriction and other codes will be enforced by the appropriate city officials and any variance, exceptions, or appeal from the decision shall be made in writing to the Governing Body of the City of Lincoln Center.

SECTION 4. LAND USE AND GENERAL RESTRICTIONS ON ALL TRACTS
